

WATER OPERATOR TRAINEE

The West Boylston Water District is accepting applications for the full time position of water operator trainee. Applicant must have a minimum of a HS Diploma or equivalent. Possession of a MA drinking water supply license or the ability to obtain one is a condition of employment. Self-motivating, responsible, hardworking and physically fit persons able to lift up to 70 pounds, who will perform the duties and functions as listed in the job description, as well as experience in the drinking water supply field is preferred. The successful candidate must be available for weekly on-call duty rotation, including nights and weekends, and must be able to respond and be on-site within thirty minutes for emergencies. They must also have a valid MA drivers license and be physically capable of operating motor vehicles in a safe manner, and maintain a good driving record. They must be able to pass a pre-employment physical exam, drug/alcohol test, and criminal history background check. We offer competitive wages and an excellent benefit package. The position will be open until filled. Resumes will be accepted with the applications.

Applications and more information can be obtained at the West Boylston Water District Office, 183 Worcester Street, West Boylston, MA. 01583, via email to commissioners@westboylstonwater.org, or online at www.westboylstonwater.org.

An Equal Opportunity / Affirmative Action Employer. Females, minorities, and veterans are strongly encouraged to apply.
